

School of Management Studies

Establishment of *state-of-the-art* Computer Laboratory

Duration of the project: 01 Year

Coordinator: Head

School of Management Studies

- **School of Management Studies** invites alumni to join in the establishment of a *state-of-the-art Computer Laboratory*.
- The computer laboratory will serve as a central hub for
 - Technological innovation, research and learning for students, faculty and staff.
- It will serve the purpose of
 - **Enhanced Learning Experience** by providing access to cutting- edge technology and software.
 - **Skill Development** through workshops, seminars and training sessions.
 - **Research Opportunities** in the form of platform for collaborative research projects and
 - **Career Readiness** by enhancing proficiency in use of technology and software tools relevant to field of study.

Budget

S. No.	Item	Unit	Price/Unit	Amount (Rs.)
Infrastructure				
1.	Chairs	75	3,000/-	2,25,000/-
2.	Tables	75	6,000/-	
3.	Aluminum Partition			50,000/-
4.	AC (Split) 2 Ton	4	50,000/-	2,00,000/-
Networking				
5.	Cat 6 Cable (MTR)	6000	21	1,26,000/-
6.	D-Link Port switch (Unmanaged)	4	6,629/-	26,516/-
7.	Input/Output D-Link	75	110	8,250/-
8.	D-Link Patch Panel	4	2,297/-	9,188/-
9.	Patch Cord (1 MTR)	75	110/-	8,250/-
10.	Patch Cord (2 MTR)	75	125/-	9,375/-
11.	Rack 9U (with accessories)	2	4,375/-	8,788/-
12.	Rack 12U	1	5,144/-	5,144/-

13.	Face Plate	75	120/-	9,000/-
14.	Networking wire Batton			10,000/-
15.	Electricity wiring			68,000/-
16.	Computers	75	45,000/-	33,75,000/-
17.	Printer with Scanner	2	20,000/-	40,000/-
18.	UPS (20KVA)			35,000/-
19.	Projector	1	50,000/-	50,000/-
20.	Fire Extinguisher			1,00,000/-
	Total Cost			50,02,511/-
